Carmel Latte is a perfect way to describe the color on this cow. She's as calm as she is pretty and graceful. Another cow that reeks of Alan Sparger selective breeding during his five decade tenure as Red McCombs' partner. She predicts to 94" TTT at maturity, and just look at her progeny to see that her gorgeous color passes on down to her offspring. She is currently bred to our flagship bull Hubbells Roman Crown.

TTT: 89.0000 on 03/25/2025
Weight: 725.0000 on 09/22/2019
